

Included in your ARG Back Office Services:

7 - YEAR COUNTY CRIMINAL + STATEWIDE (Included)

A combination the 7 year county check and statewide check. The system will automatically run a statewide check when available as opposed to each individual county. County checks will be run in instances where a statewide is not available. *The statewide and county checks may check different sources. The statewide does not always check at the county level.

SSN TRACE + ASSOCIATED COUNTIES (Included)

Finds names, aliases, and counties on record associated with the Social Security number provided by the candidate. This step validates that the candidate's SSN matches the legal name given and directs county-level criminal records searches based on up to 3 counties covered by this trace. To assess whether the SSN is the candidate's own, add an Identity Verification.

5 PANEL DRUG SCREEN (Included)

The 5-panel urine test screens candidates for Amphetamines, Phencyclidine, Cocaine, Opiates and Marijuana. Additional third-party verification fees may apply.
